Hong Kong Medical Association Photographic Society 5th Anniversary On-tour Exhibition ~ Dr. KWAN Wing Ho, On-Tour Exhibition Chairman

After finishing the main exhibition in Cultural Centre (on 21 April 2013) and the on-tour exhibition in three public hospitals (Prince of Wales Hospital, Queen Elizabeth Hospital and Shatin Hospital), the 68 magnificent photographs were displayed in the two public hospitals: Princess Margaret Hospital and Kwong Wah Hospital. This will be one of the longest running photo exhibitions in Hong Kong.

We have invited a very experienced exhibition specialist in Hong Kong, Mr. Eddie WU, to help us to inspect the sites, setup the exhibitions, dismantle the photographs and transport them between different hospitals. Also thank to the coordinators of these hospitals and the Secretariat of Hong Kong Medical Association, the operation is smooth and the exhibitions are highly successful. We have received positive feedback.

The three previously damaged photographs have been replaced. Apart from fraying of some of the edges and corners, no more serious damages are noted.

Princess Margaret Hospital

The roadshow in Prince of Margaret Hospital started on 11 June 2013 and lasted 4 weeks. The photographs were displayed in ocean blue boards. The layout, the atmosphere, together with nature light were enchanting. There were two rotations. Our photo album was displayed in a stand and the specially designed pamphlets were distributed through boxes on different boards.

Kwong Wah Hospital

The exhibition started one day earlier than originally planned (on 12 July 2013). There are 10 single-sided panels against the wall. Four rotations, each 1 week, are needed. The venue is covered and one side of the venue is open and is located adjacent to the car park. Despite on-and-off raining, so far the photographs are in good condition. After the exhibition at Kwong Wah Hospital ends on 13 August 2013, the photographs will be moved to United Christian Hospital and Queen Mary Hospital on 14 August and 7 September 2013. Don't miss the chance to see our magnificent art works.

The photo taken by Dr. WOO Chi Wai shows the exhibition venue at the Princess Margaret Hospital.
