**Hong Kong Medical Association Photographic Society 5th Anniversary On-tour Exhibition
~ Dr. KWAN Wing Ho, On-Tour Exhibition Chairman**

United Christian Hospital

From the 14 August 2013, our exhibition moved to United Christian Hospital. It lasted for three weeks. The venue was the corridor on B2 floor of S Block, opposite to the canteen. 20 photographs were displayed on 10 gray boards. There were two rotations. Although the flow of people was less than the other sites, the layout was good and the atmosphere was quite enchanting. Our photo album and the specially designed pamphlets were distributed through a stand. All the exhibits were in good condition.

Queen Mary Hospital

The exhibition started from the 7 September 2013 and lasted for 2 weeks. It was located on the first floor of Main Block of Queen Mary Hospital. This was a busy area with many people passing by. There were 10 boards in blue or red with two rotations of the exhibits. The response was good and many people stopped and took a look at our exhibits. As one of the largest hospitals in Hong Kong, we could promote our society and our works to more people.

Hong Kong Sanatorium and Hospital

This is the only private hospital in our On-Tour Exhibition. The exhibition started on the 23 September 2013. The venue was both sides of the corridor next to the Coffee Lounge. It was located on the ground floor of Li Shu Fan Block. The exhibition lasted for 4 weeks, enough to display all the photographs in rotations. We are pleased that many doctors and staff in the Hong Kong Sanatorium and Hospital were interested in our exhibition.

Tour Exhibition at Hong Kong Sanatorium and Hospital

We thank very much the support of the hospital administrations of Hospital Authority and Hong Kong Sanatorium and Hospital. We appreciate the negotiation and planning of our Chairman, committee members and secretaries of the Hong Kong Medical Association Photographic Society. The setup by our exhibition specialist, Mr. Eddie WU, was also excellent.
